

# Nursery Rhymes

## Old MacDonald Had a Farm This Old Man

Thomas D'Urfey  
Unknown

On these nursery rhymes begin by singing each tune following all markings. Remember to extend the 3rd valve slide 1/2 inch for the D's below the staff. Try to strictly follow the breath marks. To articulate each note use the "ta" syllable. Once you are comfortable repeat each song to help build endurance.

**A** ♩ = 110
